

OCCUPATIONAL HEALTH & SAFETY GUIDE

PLACEHOLDER DOCUMENT - generated by the UFABWU website backend.

Replace this file with the official OSH Safety Guide PDF.

This manual covers pesticide handling and spraying, use of personal protective equipment (PPE), heavy machinery operation, injury prevention, and emergency response for plantation and farm workers.

For the official guide, contact the National Secretariat:

+256 772 518902 | P.O. Box 34214, Kampala, Uganda.
